

The **Afiscooter S** with its spacious design maximize the protection and safety of the driver, with its brilliant ergonomics and with its excellent comfort of driving is **one of the leading mobility scooters in its category.**

This luxurious vehicle that has a proven record of high quality and long-lasting reliability can travel comfortability and safely in various types of terrains as rough off-road terrain (using golf tires) and extreme weather conditions (when using the unique hardtop canopy).

With single or wide seat, 3 wheel model (maximum maneuverability) or 4 wheel model (the ultimate in road presence and stability), either one you choose would fit you perfectly.

Highlights

- New rubber (pu) shock absorbing front bumper to maximize the protection and safety of the driver.
- An ergonomic tiller with a bright, easy to read and improved LCD display.
- A luxurious orthopedic rotatable seat with a high backrest that provides comfort while driving and ease boarding (offered in three widths: 20", 22" & 24").
- Powerful, long-lasting, energy efficient led headlights.
- The option of wide gt tires, for extra traction and stability together with the high chassis clearance give the afiscooter s off road performance.
- Optional hardtop canopy with ergonomic design to ensure comfortable ride in all weather conditions.
- Extremely spacious.

Designd for safety

Ease of operation

Top quality & Reliability

Afikim electric vehicles is a leader in developing and manufacturing premium, electrically-powered mobility scooters for more than 40 years. The well-known Afiscooter product line is designed with driver safety in mind first and foremost, alongside attention to ergonomics, comfort and reliability of the vehicle. Afikim electric vehicles has established

a worldwide distribution network that offers local technical support and follows the highest standards of service. Our company meets highest standards of quality and European ISO 9001, CE and EN 12184 certifications, as well as US safety standards with FDA approval.

Offering a safe and pleasurable driving experience on and off the road
